Conditions of Entry

To the scarecrow competition

- Scarecrows become the property of A Maze 'n' Fun once the competition is finished for the purpose of auctioning the scarecrows for charitable funds.
- No paper or cardboard is to be used in the construction of the scarecrows (as they need to be durable in the weather).
- Late entry will be at the discretion of the organisers.
- Judges will look for innovation, creativity, use of colour, size and bird scaring ability when assessing the scarecrows.
- All scarecrows must be delivered to the Maze by 6.00 pm on Saturday, 3 March 2012.
- In the unlikely event of wet weather, Scarecrow Day will be postponed to Sunday, 1 April 2012. Please listen to MoreFM for this advice.
